A NOTE TO OUR PATIENTS:

As a courtesy, we attempt to call you about 2 days before your hygiene appointment. We also attempt to call you about 2 days before your appointment with the dentist. If we cannot reach you or you do not call back to confirm 24 hours prior to either kind of appointment, we will then cancel the reserved time to allow those who are waiting for our services to be scheduled. This will be considered a broken appointment. You may be charged \$100 per broken appointment. For example, if you have two children with appointments in a day, and miss the appointments, you would be charged \$200. Please be aware that after 3 broken appointments in family we will no longer be able to schedule anything further.

We appreciate your understanding.

I have reviewed and understand the above policy statement regarding appointment scheduling.
